Hi Steve and Roxanne, here are Phil and Doug's comments on the Section 2 Outline and the Section 3 SOW.

Please take a look. Are you planning on putting together any formal comments on the Navy's deliverables?

Please let us know, thanks.

Subject: Comments on AoC Sections 2 and 3

Hi folks,

As requested here are our comments on sections 2 and 3 of the AoC drafts. We recommend robust discussion to find the best path forward so that there is a meaningful scope, especially for Section 2 (TIRM).
